

At Lattanzio Wines we believe great wine is made in the vineyard. We take great care in selecting the vineyards we work with and we work closely with the growers to obtain the best fruit possible each year. In the winery, it is our job to take this great fruit and treat it gently and with careful consideration each step of the way through fermentation, aging and bottling. The idea is simply to coax the aromas and flavors of the wine into the bottle.

2013 Rosé of Pinot Noir

Sonoma County

Notes:

Once again, the juice that went into this year's Rose came from some rock-star Sonoma Coast and Russian River Valley Pinot Noir vineyards, each one farmed and cared for meticulously. The juice sat with the skins for about 1-2 hours after the grapes were de-stemmed. Then it was "bled off" into neutral oak barrels for a long, cold fermentation. The wine remained in barrel on the lees for about 5 months before bottling in late January. The wine is bone dry with most of the secondary fermentation inhibited.

Winemakers Notes:

The color is a bright pink with a beautiful purple hue. Aromas and flavors of fresh picked strawberries, watermelon, crushed cranberry. Zingy, refreshing flavors of tart red berry and kiwi. Barrel fermentation provides a wonderful mouth-filling texture.

Varietal:	100% Pinot Noir
Appellations:	Russian River Valley & Sonoma Coast
Brix:	23°-24° brix
Harvest Date:	September 26th, 2013
Alcohol:	14.1%
Fermentation:	Barrel fermented
